

## Birmingham Fellows: Full Circle - Episode Five

Dr Tom Dunkley Jones (School of Geography, Earth and Environmental Sciences) interviews Dr Zongbo Shi about his research into atmospheric aerosol chemistry and global biogeochemical cycles.

**Birmingham Fellows** (</staff/excellence/fellows/index.aspx>) are outstanding post-doctoral researchers at the University of Birmingham, recruited from around the world. Early-career researchers, they are poised to become the academic and research leaders of tomorrow.
