

Members of the Future Urban Living Policy Commission

Commissioners are drawn from the public and private sector as well as wider academic and policy circles to bring together leading experts to deliberate and advise the Commission on its activities.

Commission Chair

[Lord Shibley of Gosforth](/research/impact/policy-commissions/future-urban-living/commissioners/lord-shibley.aspx) (</research/impact/policy-commissions/future-urban-living/commissioners/lord-shibley.aspx>)

Commission Academic Lead

[Professor Chris Rogers](#)

(<http://www.birmingham.ac.uk/staff/profiles/civil/rogers-christopher.aspx>) *Professor of Geotechnical Engineering
Director of the Birmingham Centre for Resilience Research and Education*

Commissioners

[Phil Blythe](/research/impact/policy-commissions/future-urban-living/commissioners/phil-blythe.aspx) (</research/impact/policy-commissions/future-urban-living/commissioners/phil-blythe.aspx>) *Professor of Intelligent Transport Systems, Newcastle University*

[Peter Braithwaite](/research/impact/policy-commissions/future-urban-living/commissioners/peter-braithwaite.aspx) (</research/impact/policy-commissions/future-urban-living/commissioners/peter-braithwaite.aspx>) *European Head of Sustainability at CH2M Hill,
University of Birmingham Visiting Professor*

[Chris Brown](/research/impact/policy-commissions/future-urban-living/commissioners/chris-brown.aspx) (</research/impact/policy-commissions/future-urban-living/commissioners/chris-brown.aspx>) *Igloo Regeneration Development Team*

[Brian Collins](/research/impact/policy-commissions/future-urban-living/commissioners/brian-collins.aspx) (</research/impact/policy-commissions/future-urban-living/commissioners/brian-collins.aspx>) *Professor of Engineering Policy, University College London*

[Susan Juned](/research/impact/policy-commissions/future-urban-living/commissioners/susan-juned.aspx) (</research/impact/policy-commissions/future-urban-living/commissioners/susan-juned.aspx>) *Greenwatt Sustainable Solutions*

[Richard Miller](/research/impact/policy-commissions/future-urban-living/commissioners/richard-miller.aspx) (</research/impact/policy-commissions/future-urban-living/commissioners/richard-miller.aspx>) *Technology Strategy Board*

[Michael Pawlyn](/research/impact/policy-commissions/future-urban-living/commissioners/michael-pawlyn.aspx) (</research/impact/policy-commissions/future-urban-living/commissioners/michael-pawlyn.aspx>) *Exploration Architecture*

[Jon Price](/research/impact/policy-commissions/future-urban-living/commissioners/jon-price.aspx) (</research/impact/policy-commissions/future-urban-living/commissioners/jon-price.aspx>) *Centre for Low Carbon Futures*

[Corinne Swain](/research/impact/policy-commissions/future-urban-living/commissioners/corinne-swain.aspx) (</research/impact/policy-commissions/future-urban-living/commissioners/corinne-swain.aspx>) *Arup*

[Paul Toyne](/research/impact/policy-commissions/future-urban-living/commissioners/paul-toyne.aspx) (</research/impact/policy-commissions/future-urban-living/commissioners/paul-toyne.aspx>) *London Sustainable Development Commission*

[Stephen Tindale](/research/impact/policy-commissions/future-urban-living/commissioners/stephen-tindale.aspx) (</research/impact/policy-commissions/future-urban-living/commissioners/stephen-tindale.aspx>) *Centre for European Reform*

University of Birmingham Commissioners

[Rob Mackenzie](http://www.birmingham.ac.uk/staff/profiles/gees/mackenzie-rob.aspx) (<http://www.birmingham.ac.uk/staff/profiles/gees/mackenzie-rob.aspx>) *Professor of Atmospheric Science School of Geography, Earth and Environmental Sciences*

[Miles Tight](http://www.birmingham.ac.uk/staff/profiles/civil/tight-miles.aspx) (<http://www.birmingham.ac.uk/staff/profiles/civil/tight-miles.aspx>) *Professor of Transport, Energy and Environment*
