Bourneville College (<http://www.bourneville.ac.uk/>) B31 2AJ

Starting September 2013

16-19 year olds

Bourneville College Career Academy are looking for STEM Ambassadors to act as mentors to students, to help them prepare for a career. As a mentor you will meet with students and support classroom learning, understanding of business culture and work place etiquette. You could also support the development of employability skills, CV writing, interview techniques, time management and problem solving. This is a 2 year commitment, but you will only be required to meet with your mentee once every 8 weeks. After the initial meeting, further meetings do not need to be face to face; they can be conducted through telephone calls, emails, skype etc. Full training, guidance and support will be available for the mentors.
