Meet the STEM professional!

Stockland Green School (<http://www.stockgrn.bham.sch.uk/>) B23 7JH

16th May 2013 10am-12.30

Yr 10 (14/15 yrs old)

150 students divided into smaller groups

As part of a collapsed curriculum day with a STEM focus the school is looking for as many ambassadors as they can get from a range and variety of careers some actively working in industry. They would like a carousel of short activities linked to your work or study.
