Tudor Grange Academy B91 3PD
Wednesday afternoons dates tbc with ambassador, 1-3pm
Years 7-11 (11-15 yrs old mostly boys)

The teacher is delivering a series of afternoon club sessions focused on space and earth sciences. He is looking for individuals or a group to deliver sessions based on Earth science, Geology, Volcanology, Space technologies, Exo planets, Robotic telescopes etc. The sessions take place every other Wednesday throughout the rest of this academic year ending in July 2013. The pupils are in the sessions because they want to be there, they have a passion for space/earth science which he really wants to keep alive in them.
