Super STEM! Presentation
Tuesday 2nd October 2012

8.45am-10.45am

Perry Beeches - The Academy (<http://www.perrybs.bham.sch.uk/>) B42 2PY

The School would like a presentation and an inspirational talk from an Ambassador in each of the STEM areas, lasting for a period of one hour. The talk should provide a brief overview of your specialism, lasting approximately fifteen minutes, per area.

For the last hour, students will be split into ten groups of five and complete a teambuilding activity linked to the STEM Industries. Possible activities could be building a bridge out of straws or building a tower out of newspapers etc. Two Ambassadors would be required, from the Maths and Technology areas of STEM.
