Yr 9&10 ( aged 14-16 years)  
29th June 2012 9-1.30pm  
110 students

In partnership with the EDT the students will be designing, building and testing an engineering related model/project. The STEM Ambassadors will be required to help them through the activity and talk to them about their own experiences in STEM courses and/or careers. For each event we would Ideally like 6-7 Ambassadors with engineering backgrounds, although we will appreciate all assistance.
