STEM Challenge Day

**Aston Manor Academy** (<http://www.astonmanor.bham.sch.uk/>), B6 4PZ

**18 June**

08:30-15:00

Year 10 (14-15 years old)

75

The Engineering Development Trust (EDT) are running a STEM activity day in which they are looking for ambassadors to assist the students. Ambassadors can do this by encouraging students to think outside the box to solve problems and complete the activities. Whilst walking around the groups, the ambassadors can also chat about their own experiences of STEM, including the course they took and in the working place. This is a great first activity as you don't need to prepare activities and could get some ideas.
