Beeches Conference Centre B30 1LS
21 June
Between 09.00 and 15.00 TBC

We are looking for ambassadors from a science background to help support the STEM Centre team at a conference for school Heads of Science. We would like to demonstrate to teachers the range of science activities that can be undertaken within the classroom, with a view to increasing the amount of schools requesting STEM Ambassadors. We will need you to demonstrate science activities and answer any questions from teachers. The conference is running from 09.00 - 15.00, but you will only be needed for a portion of the day, which will be confirmed as soon as possible.
