Nest Steps Year 12 conference

**George Salter Academy** (<http://www.georgesalter.com>), B70 9UW

**1-2 July**

Time TBC

Year 12 (16-17 years old)

Groups of 15-20 students

The 'Next Steps' conference aims to help year 12 students decide what they would like to study at university. The conference organisers are particularly looking for those who have studied/currently studying biosciences, sports science and computer science. They are looking for ambassadors to run a one hour workshop about studying a particular subject at university but also career progression beyond this.
