

Biological Sciences courses

We offer Biological Sciences degrees with the option to specialise in areas such as Genetics, Zoology or Biotechnology.

Many of our biology courses offer you the opportunity to add something extra to your degree, if you are interested in a research career have a look at our **Undergraduate Masters** (</undergraduate/courses/biosciences/biological-sciences-msci.aspx>) programmes, or would you prefer to get some **work experience** (</undergraduate/courses/biosciences/biological-sciences-placement.aspx>) during your degree. If you have a flair for languages why not investigate our "**with study in continental Europe**" (</undergraduate/courses/biosciences/biological-sciences-europe.aspx>) course.

Biological Sciences Degrees - UCAS code C100

- [Biological Sciences BSc \(Hons\) \(/undergraduate/courses/biosciences/biological-sciences.aspx\)](/undergraduate/courses/biosciences/biological-sciences.aspx)
- [Biological Sciences \(Biotechnology\) BSc \(Hons\) \(/undergraduate/courses/biosciences/biological-sciences-biotechnology.aspx\)](/undergraduate/courses/biosciences/biological-sciences-biotechnology.aspx)
- [Biological Sciences \(Environmental Biology\) BSc \(Hons\) \(/undergraduate/courses/biosciences/biological-sciences-environmental-biology.aspx\)](/undergraduate/courses/biosciences/biological-sciences-environmental-biology.aspx)
- [Biological Sciences \(Microbiology\) BSc \(Hons\) \(/undergraduate/courses/biosciences/biological-sciences-microbiology.aspx\)](/undergraduate/courses/biosciences/biological-sciences-microbiology.aspx)
- [Biological Sciences \(Plant Biology\) BSc \(Hons\) \(/undergraduate/courses/biosciences/biological-sciences-plant.aspx\)](/undergraduate/courses/biosciences/biological-sciences-plant.aspx)

Other Biological Sciences Degrees

- [Biological Sciences \(Genetics\) BSc \(Hons\) \(/undergraduate/courses/biosciences/biological-sciences-genetics.aspx\)](/undergraduate/courses/biosciences/biological-sciences-genetics.aspx)
- [Biological Sciences \(Zoology\) BSc \(Hons\) \(/undergraduate/courses/biosciences/biological-sciences-zoology.aspx\)](/undergraduate/courses/biosciences/biological-sciences-zoology.aspx)
- [Biological Sciences with Study in Continental Europe BSc \(Hons\) \(/undergraduate/courses/biosciences/biological-sciences-europe.aspx\)](/undergraduate/courses/biosciences/biological-sciences-europe.aspx)
- [Biological Sciences with International Year BSc \(Hons\) \(/undergraduate/courses/biosciences/biological-sciences-international-year.aspx\)](/undergraduate/courses/biosciences/biological-sciences-international-year.aspx) - studying in English
- [Biosciences with Business Management BSc \(Hons\) \(/undergraduate/courses/biosciences/biosciences-business-management.aspx\)](/undergraduate/courses/biosciences/biosciences-business-management.aspx)

Undergraduate Masters Degree

- [Biological Sciences MSci \(Hons\) \(/undergraduate/courses/biosciences/biological-sciences-msci.aspx\)](/undergraduate/courses/biosciences/biological-sciences-msci.aspx)
- [Biological Sciences with Professional Placement MSci \(Hons\) \(/undergraduate/courses/biosciences/biological-sciences-placement.aspx\)](/undergraduate/courses/biosciences/biological-sciences-placement.aspx)
