

Employers and Industry

Birmingham Business School prides itself on its links with industry. We want to ensure that our research continues to inform the development of business practice and we want to facilitate companies to recruit our graduates into projects and permanent positions throughout the world.

To achieve this we need to hear from you. Our research can underpin your five year strategy, our graduates can provide fresh talent, and our pool of MBA professionals can provide you with managerial expertise and high value consultancy.

Industry Partners

Birmingham Business School thrives on strong links with industry and employers.

Project Placement and Information for Recruiters

Birmingham Business School is an excellent recruitment resource for all industry sectors. Make our students your resource. Whatever your recruitment, project or consultancy need, we can help. We also encourage companies to get to know our students through guest lectures, case-studies, skills sessions and career presentations.
