## New Financial Economics MSc for 2014

Posted on Wednesday 5th March 2014

Following on from the recent introduction of the <u>Financial Management MSc</u> (/postgraduate/courses/taught/business/financial-management.aspx) and <u>Management MSc</u>

## (/postgraduate/courses/taught/business/management.aspx)

programmes, Birmingham Business School has further expanded its portfolio of Masters programmes with the introduction of the Financial Economics MSc.

## **MSc Financial Economics**

This programme will provide students with an advanced training in economics and in finance, acquainting them with recent developments and current issues in both areas. It will examine financial topics from an economics perspective and enable students to apply their analytical skills to financial markets.
