Contact details

Birmingham Business School
University House
Birmingham
B15 2TT

About

Mary joined the Business School in January 2005 – previously she was senior research fellow at the National Institute of Economic and Social Research in London, where she remains a Visiting Fellow. She is coordinator of two projects financed by the EC 7th framework program, INDICSER (www.indicser.com (<http://www.indicser.com/>)) and SERVICEGAP (www.servicegap.org (<http://www.servicegap.org/>)) which are concerned with measuring and evaluating performance in the services sectors. She is also a Public Services Fellow of the ESRC funded AIM programme.

Qualifications

BA, MA Economics

Research

International comparisons of output, productivity, capital and labour force skills; the impact of information and communications technology on economic growth and productivity; determinants of the demand for skilled labour; measuring and explaining performance in public service provision, including health and education.

Other activities
