

## Simon Evans Visits - Marketing Scholarships

Posted on Sunday 24th July 2011

Simon Evans visited Birmingham Business School on 4th May to meet with the MSc Marketing Suite Programme Directors and the students who had received one of his scholarships.

The Programme Directors presented the successes the Marketing Suite and past Simon Evans scholars. Each of the scholars then gave a brief presentation covering their background, what they have particularly enjoyed about their MSc studies, how the programme is helping them achieve their career aspirations and the value of the Simon Evans scholarship.

Simon was impressed by the quality of the programmes and the calibre of our students and extended his scholarship for a further three years.
