About Jane Lodge:

Jane Lodge was the fourth ever female to become a Partner at Deloitte back in 1985; she was the first female on the Board of Deloitte; she was the first female Head of Audit, and the first female Head of a Region for Deloitte. Her career is a series of firsts, and her story offers an unrivalled insight into the workings of a large partnership and the growth of a super-brand.

As an Audit Partner, she has worked directly with the Boards of many of Deloitte’s most high profile clients and has witnessed business development from all angles, through two recessions and an IT revolution.
