

Students and Staff

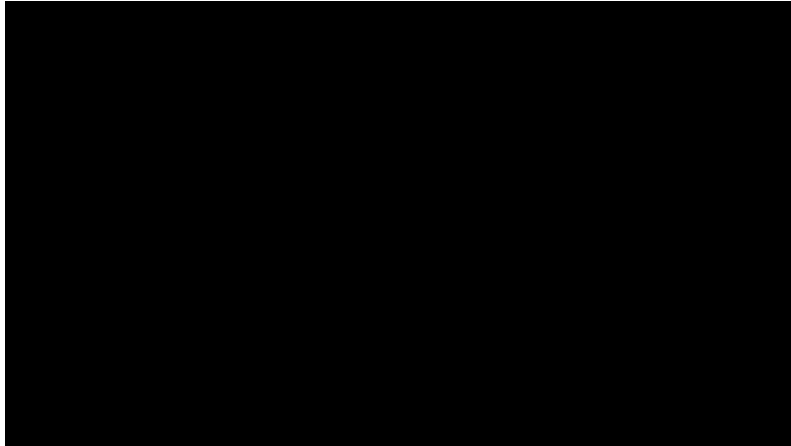

With almost 5,000 international students from over 150 different countries, the University of Birmingham now boasts one of the largest and most vibrant international student communities in the UK.

As you can see on our [international collaboration map \(/schools/business/international/index.aspx\)](/schools/business/international/index.aspx), the university also has extensive links with academics, universities and other strategic partners throughout the world.

Here you can find out what both students and staff from across the Business School have to say about working, studying and living in Birmingham.
