

Birmingham MBA climbs Expansion rankings

Posted on Tuesday 7th February 2012

We are delighted that we have climbed 11 places within the Expansion MBA 2012 Rankings.

This year we are ranked 54th in the **2012 Global MBA rankings of Expansion** (<http://www.cnexpansion.com/rankings>), a leading Spanish-language business magazine published in Mexico. Only eight other UK schools made it into this ranking.

These ranking results reflect Birmingham Business School's continued commitment to provide a truly global experiential MBA.
