

## Distinguished Leader Series comes to Singapore

Posted on Wednesday 5th June 2013

Following the success of the [BBS Distinguished Leaders series \(/schools/business/alumni/events/distinguished-leaders-series.aspx\)](/schools/business/alumni/events/distinguished-leaders-series.aspx) we are pleased to announce a complementary lecture series in Singapore in partnership with the Singapore Institute of Management (SIM).

Birmingham Business School has run a [Global MBA programme \(/postgraduate/courses/taught/business/global-banking-finance-mba.aspx\)](/postgraduate/courses/taught/business/global-banking-finance-mba.aspx) in Singapore for last 18years and the area has a vibrant and rapidly growing postgraduate and undergraduate alumni community. The founding of the Singapore Distinguished Leader series demonstrates a deepening of the relationship between the two areas.

The Singapore series will follow the same format as the UK, with high calibre alumni speakers discussing their views and experiences of leadership. The complimentary events will offer an opportunity for alumni, students and academics to gather, network and build stronger links in the area.

An inaugural event is taking place this summer, with the main lecture programme beginning in November 2013. Alumni based in Asia will receive further details shortly.
