

## Business Management Undergraduate of the year

Posted on Friday 20th April 2012

On April 13th 2012 at East Wintergarden, Canary Wharf, the finals of the national TARGETjobs Undergraduate of the Year Awards event was held where the Management Undergraduate of the Year Award went to Grace Gimson who is studying Business Management at Birmingham. The award was sponsored by Enterprise Rent-A-Car and, through a series of online tests, application forms, interviews and assessment exercises, Grace emerged as winner. Enterprise only targeted a relatively small number of universities and so she beat off competition from other excellent students from a number of universities. This award was one of twelve presented on the day and each award was sponsored by a top graduate recruiter: Deloitte, Barclays, Mars, Ernst & Young, Morgan Stanley, Laing O'Rourke, E.ON, EDF Energy, RBS, Enterprise Rent-A-Car, BT and Mayer Brown.

Grace collected the award from Michael Portillo (who hosted the awards) and Mike Nigro, Senior VP UK & Ireland Operations at Enterprise Rent-A-Car.
