

Business students compete in Peak time

Posted on Wednesday 23rd May 2012

Business School students Matej Urban, Andrius Juozapaitis, Evelina Zujute and Nerijus Cerniauskas recently competed in the 'Peak Time 2012' international student business competition in Riga, Latvia. The competition attracts over 1000 students from all over the world and the Business School supported their participation. The Business School students' team, UoB Enterprise 2.0, finished in 11th place and enjoyed a rewarding experience.
