

British Federation of Women Graduates (BFWG) Scholarships 2013

Posted on Monday 25th February 2013

The British Federation of Women Graduates scholarships are for women who will be in their third year of doctoral studies or part time equivalent at the time when the awards are given out. The awards are given on the basis of overall academic excellence determined from information on application form, referee reports and interview for shortlisted candidates. Awards are given out in September/October and usually range between £2,500 and £6,000.

Only women doctoral students (PhD, DPhil or equivalent) who began full time doctoral studies between September 1st 2010 and October 31st 2011 (or the part time equivalent) are eligible to apply. We expect applicants to be at least temporarily resident in Britain as we are unable to accept distance learners overseas.

Closing date is Friday 22 March 2013.
