Premier League football referees more likely to book foreign players (/schools/business/departments/economics/news/2013/august/premier-league-football-referees-more-likely-to-book-foreign-players.aspx)

The 2013/14 Barclays Premier League season starts this Saturday and a major analysis of referee's decisions in the league has shown that officials are around 15% more likely to book foreign players who are from the same background as the most sizable ethnic minority groups in the UK.
