Professor Paul Edwards (/schools/business/staff/profile.aspx?ReferenceId=19735&Name=professor-paul-edwards)

Professor of Employment Relations

The Department of Organisation, Work and Employment

Paul Edwards joined BBS in April 2011 from Warwick Business School where he was Director of the Industrial Relations Research Unit and held several Associate Dean positions. He is a Fellow of the British Academy, and has served as the chair of the Academy's Social Science Group. He was a member of the 2008 RAE sub-panel for business and management, and is a member of the sub-panel ...

Dr Georgios Efthyvoulou (/schools/business/staff/profile.aspx?ReferenceId=4669&Name=dr-georgios-efthyvoulou)

Research Fellow

Business School

Georgios joined the School in July 2010, after completing his PhD in Economics at Birkbeck, University of London. His main research interests are in the areas of Political Economics and International Industrial Economics. He will contribute to the SERVICEGAP < **http://www.servicegap.org (http://www.servicegap.org)** > project which considers the academic and policy concerns that arise from the increasing ...

Professor Robert Elliott (/schools/business/staff/profile.aspx?ReferenceId=4670&Name=professor-robert-elliott)

Professor
Director of Education
Director of Admissions and Recruitment

The Department of Economics

Professor Robert Elliott is an applied economist who works at the intersection of international economics, development economics, environmental and energy economics and international business. He has a particular interest in the Chinese economy, firm behaviour, natural disasters and the impact of globalisation on the environment.

Personal Homepage (http://www.socscistaff.bham.ac.uk/ercolanim)

I am an applied econometrician. I work on a range of socio-economic problems with particular focus on using large datasets to look into issues on health, ageing, and education. In addition to using standard econometric procedures, I program statistical packages to carry out non-standard regressions and tests. I enjoy ...
