Dr Elizabeth Sapey (/schools/cem/staff/profile.aspx?Referenceld=15340)

Clinician Scientist

Cardiovascular and Respiratory Sciences

Dr Sapey's goal has always been to pursue a career in Academic Respiratory Medicine. She is excited by the prospect of applying her evolving understanding of neutrophil function and trafficking to developing new therapeutic strategies in COPD. Her goal over the next 10 years it is to extend her expertise in neutrophil biology, to develop a team to investigate inflammatory signalling ...
