[Dr Elizabeth Sapey \(/schools/cem/staff/profile.aspx?Referencelid=15340\)](/schools/cem/staff/profile.aspx?Referencelid=15340)

Clinician Scientist

Cardiovascular and Respiratory Sciences

Dr Sapey's goal has always been to pursue a career in Academic Respiratory Medicine. She is excited by the prospect of applying her evolving understanding of neutrophil function and trafficking to developing new therapeutic strategies in COPD. Her goal over the next 10 years it is to extend her expertise in neutrophil biology, to develop a team to investigate inflammatory signalling ...

[Dr Barney Scholefield \(/schools/cem/staff/profile.aspx?Referencelid=81895\)](/schools/cem/staff/profile.aspx?Referencelid=81895)

Consultant Paediatric Intensivist & Honorary Senior Research Fellow

Cardiovascular and Respiratory Sciences

Dr Barney Scholefield is a clinical academic researcher within the field of paediatric neuro-critical care. He is based as a consultant at the Paediatric Intensive Care Unit, Birmingham Children's Hospital and works in partnership with the University of Birmingham's Perioperative, Anaesthesia and Critical Care Trials (PACCT) Group.

[Professor Yotis Senis \(/schools/cem/staff/profile.aspx?Referencelid=8217\)](/schools/cem/staff/profile.aspx?Referencelid=8217)

British Heart Foundation Senior Research Fellow

Cardiovascular and Respiratory Sciences

Yotis is a British Heart Foundation Senior Research Fellow in the School of Clinical and Experimental Medicine and a senior member of the Birmingham Platelet Group. He was appointed Chair in Cellular Haemostasis in 2013. His main research interests are platelet protein-tyrosine phosphatases and how they regulate platelet activation, thrombosis and haemostasis.

Yotis ...

[Dr Peter Seville \(/schools/cem/staff/profile.aspx?Referencelid=39652\)](/schools/cem/staff/profile.aspx?Referencelid=39652)

Senior Lecturer in Pharmaceutics

Pharmacy and Therapeutics

Peter is part of the team developing the new Master of Pharmacy undergraduate degree programme.

Peter teaches and researches in pharmaceutics, one of the core scientific disciplines of pharmacy. His primary research interests are in the development of medicines that can be inhaled by a patient, either to treat diseases of the lung (e.g. asthma, COPD) or as a means ...

[Dr Sheikh Naeem Shafqat \(/schools/cem/staff/profile.aspx?ReferenceId=81186\)](/schools/cem/staff/profile.aspx?ReferenceId=81186)

Senior Research Fellow

Endocrinology, Diabetes and Metabolism

Naeem Shafqat is a Senior Research Fellow at the Centre for Endocrinology, Diabetes and Metabolism, University of Birmingham. Naeem is a protein biochemist/structure biologist by training who now applies his profound knowledge and expertise is studying human enzymes associated with the Disorders of Sex-Development and Prostate Cancer.

Being an enthusiastic scientist, ...

[Professor Attila Sik \(/schools/cem/staff/profile.aspx?ReferenceId=8828\)](/schools/cem/staff/profile.aspx?ReferenceId=8828)

Professor of Cellular Neuroscience

Neurobiology

Attila Sik (pronounced "sheek") is professor of cellular neurophysiology. He published several book chapters and ~50 research articles in scientific journals. His research papers have been cited over 3000 times. He has received major national grants in Hungary, Canada (Canada Foundation for Innovation, Canadian Institutes of Health Research), UK (Medical Research Council) ...
