[Dr Larissa Fabritz \(/schools/cem/staff/profile.aspx?ReferenceId=29519\)](#)

Senior Clinical Lecturer in Acute Medicine

Cardiovascular and Respiratory Sciences

Dr Larissa Fabritz studies novel mechanisms of heart disease and performs translational research towards mechanism-based therapies of cardiovascular diseases. As a clinical consultant, she sees patients in the department of Cardiology at UHB. Dr Larissa Fabritz engages in research on molecular mechanisms of cardiomyopathies and arrhythmias as well as molecular cardiovascular imaging with ...

[Dr John Fagg \(/schools/cem/staff/profile.aspx?ReferenceId=8772\)](#)

Lecturer
 Director of American and Canadian Studies Centre

Department of English Literature

I took my BA in English and Philosophy at the University of Leeds, and my MA and PhD in American Studies at the University of Nottingham, where I then held a Leverhulme Postdoctoral Research Fellowship followed by a Lectureship in American Literature.

My research focuses on American literature and visual art in the decades around 1900 and explores the ways in which ...

[Professor Ian Fairchild \(/schools/cem/staff/profile.aspx?ReferenceId=9553\)](#)

Professor of Geosystems

School of Geography, Earth and Environmental Sciences

Ian Fairchild is a geoscientist with broad interests in the geochemistry of the Earth's surface, climate change and Quaternary and Neoproterozoic earth history. He employs this breadth of knowledge in teaching, in public outreach, and professional activities such as examining and research assessment. He is equally at home in the field and the laboratory with a wealth of ...

[Dr Yun Fan \(/schools/cem/staff/profile.aspx?Referenceld=25409\)](/schools/cem/staff/profile.aspx?Referenceld=25409)

Birmingham Fellow
Principal Investigator

School of Biosciences

Dr Yun Fan's research interest centers on understanding how cell death, cell proliferation and cell differentiation are coordinated to maintain tissue homeostasis. This has important implications for cancer development and tissue regeneration. As one of our Birmingham Fellows recruited worldwide, he joined us and established his laboratory at Birmingham in November ...
