About

Austen Spruce is the College Lead for undergraduate admissions and the medicine admissions tutor. He is also a module coordinator on the Medical Science degree programme. His subject interests are neuroscience and pharmacology and contributes to teaching students on various programmes within the College.

Austen has coordinated the introduction of major new initiatives in the selection of medicine students, including the use of multiple mini-interviews.

Teaching

Module coordinator for Neuroscience 2, BMedSc. Teacher on BMedSc (all years), MBChB (years 1 and 2) and BDS (year 1) programmes

Other activities

Medicine Admissions Tutor
