Physiotherapy Department  
Queen Elizabeth Hospital Birmingham  
Birmingham  
B15 2TH

### About

Dr Creaney is a Consultant Physician in the Medical Speciality of Sport & Exercise Medicine. He trained in the London Deanery at various locations including the Olympic Medical Institute, The Royal National Orthopaedic Hospital, The Royal London Hospital, Defence Medical Rehabilitation Centre (DMRC) Headley Court and the Department of Health (DH). Before his appointment as a substantive consultant at University Hospital Birmingham, he was a locum consultant in Sheffield and Aldershot Regional Rehabilitation Unit. His main sports medicine interest lies with Track & Field and he has acted as a Team and Event doctor for UKA since 2005, as well as running the endurance clinic in 2009. He recently volunteered for London 2012 where he worked as a doctor on the track.

Dr Creaney splits his time between London, Birmingham and Manchester where he runs several sports medicine and musculoskeletal medicine clinics.

### Qualifications

- Bachelor of Medical Science, University of Sheffield 2000
- Bachelor of Medicine, Bachelor of Surgery, University of Sheffield 2001
- Member of the Royal College of Physicians 2005
- Member of the Royal College of General Practitioners 2009
