

Download a brochure

You need Adobe Reader to view these documents. Adobe Reader is free software that can be downloaded from the [Adobe Acrobat website \(http://www.adobe.com/products/acrobat/readstep2.html\)](http://www.adobe.com/products/acrobat/readstep2.html).

The link below allows you to download a brochure describing our undergraduate courses, as well as giving more information on activities within the School and feedback from our students.

- [Chemical Engineering undergraduate degree brochure \(pdf 350 KB\) \(/Documents/college-eps/chemical/brochures/chemical-engineering-ug-brochure.pdf\)](#)

Please note that our Chemical Engineering courses are under constant review and that brochures are sometimes printed in advance of updates. For more definitive course information please visit the [Chemical Engineering undergraduate degree courses \(/schools/chemical-engineering/undergraduate/degree-courses.aspx\)](#) page.
