

## National Student Survey Results 2013

Posted on Thursday 15th August 2013

The School of Chemistry is delighted to announce that our students have rated our programmes with an overall satisfaction rating of 96% in the latest National Student Survey, with our MSci Chemistry course achieving 100% student satisfaction. The School places great emphasis on the quality of its courses and the overall student experience, and we look forward to welcoming our 2013 intake in September.
