

Lectureship available in the School of Chemistry.

Posted on Monday 20th January 2014

Lecturer in Chemistry (<http://www.jobs.ac.uk/job/AHX658/lecturer-in-chemistry/>)

Closing date: 16th February 2014
Reference: 43315

The School of Chemistry is looking for a talented chemist who will establish a programme of chemistry research at the interface with the health sciences and medicine that involves a sufficient component of physical or analytical experimental chemistry.

For informal enquires please contact Professor Mike Hannon via email: m.j.hannon@bham.ac.uk (<mailto:m.j.hannon@bham.ac.uk>).
