

Postgraduate Conferences and Travel

Postgraduates from the School of Chemistry regularly visit conferences and research institutes worldwide to present their work. Here are reports detailing some of these trips.

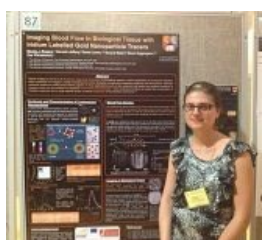

Feb. 2014. Amanda Mills from the group of **Dr Melanie Britton** (<http://www.birmingham.ac.uk/schools/chemistry/people/navigation.aspx?Referenceld=8959&Name=dr-melanie-britton>) presented her work at the International Magnetic Resonance in Porous Media Conference in Wellington, New Zealand. Read her report [here](#) (</Documents/college-eps/chemistry/chemistry-travel-reports/school-conference-report---amanda-mills.docx>).

Oct. 2013. Selina Omonmhenle from the group of **Dr Ian Shannon** (<http://www.birmingham.ac.uk/schools/chemistry/people/navigation.aspx?Referenceld=11679&Name=dr-ian-shannon>) presented her work at the Clay Mineral Society Conference at the University of Illinois, USA. Read her report [here](#) (</Documents/college-eps/chemistry/chemistry-travel-reports/Selina-Omonmhenle-2013.docx>).

Aug. 2013. Susan Law from the group of **Dr Melanie Britton** (<http://www.birmingham.ac.uk/schools/chemistry/people/navigation.aspx?Referenceld=8959&Name=dr-melanie-britton>) presented her work at the International Conference on Magnetic Resonance Microscopy in Fitzwilliam College, Cambridge, UK. Read her report [here](#) (</Documents/college-eps/chemistry/chemistry-travel-reports/SusanLaw13.docx>).

Jul. 2013. Nicola Rogers from the group of **Prof Zoe Pikramenou** (<http://www.birmingham.ac.uk/schools/chemistry/people/navigation.aspx?Referenceld=11289&Name=dr-zoe-pikramenou>) attended the recent Gordon Research Conference in Boston, MA. Read her report [here](#) (</Documents/college-eps/chemistry/chemistry-travel-reports/NicolaRogers13.doc>).

Jan. 2013. Damian Weske from the group of **Prof Nigel Simpkins** (</staff/profiles/chemistry/simpkins-nigel.aspx>) attended the recent RSC Macrocyclic and Supramolecular Chemistry Meeting. Read his report [here](#) (</Documents/college-eps/chemistry/chemistry-travel-reports/DamianWesketravel.docx>).

Nov. 2012. Andrea Mulas from the group of **Dr Jim Tucker** (<http://www.birmingham.ac.uk/schools/chemistry/people/navigation.aspx?Referenceld=13639&Name=dr-james-tucker>) visited the research laboratory of Prof Lin Pu at the University of Virginia, U.S.A. for 1 month. Read his report [here](#) (</Documents/college-eps/chemistry/chemistry-travel-reports/AndreaMulas12.docx>).

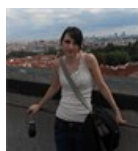

Sept. 2012. Emmanuel Oheix from the group of **Dr Anna Peacock** (<http://www.birmingham.ac.uk/schools/chemistry/people/navigation.aspx?Referenceld=11113&Name=dr-anna-peacock>) visited the 11th European Biological Inorganic Chemistry Conference at the Granada Conference Centre, Granada, Spain. Read his report [here](#) ([/Documents/college-eps/chemistry/chemistry-travel-reports/EmmanuelOheix12.docx](#)) .

Sept. 2012. Jenna Norman from the group of **Professor Michael J Hannon** (<http://www.birmingham.ac.uk/schools/chemistry/people/navigation.aspx?Referenceld=9158&Name=professor-michael-john-hannon>) visited the 11th European Biological Inorganic Chemistry Conference at the Granada Conference Centre, Granada, Spain. Read her report [here](#) ([/Documents/college-eps/chemistry/chemistry-travel-reports/JennaNorman12.docx](#)) .

Sept. 2012. Natalia Alonso from the group of **Professor Michael J Hannon** (<http://www.birmingham.ac.uk/schools/chemistry/people/navigation.aspx?Referenceld=9158&Name=professor-michael-john-hannon>) visited the 11th European Biological Inorganic Chemistry Conference at the Granada Conference Centre, in Granada, Spain. Read her report [here](#) ([/Documents/college-eps/chemistry/chemistry-travel-reports/NataliaCalleAlonso12.docx](#)) .

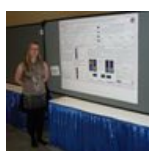

Aug. 2012. Julie Rutter from the group of **Dr Adrian Wright** (<http://www.birmingham.ac.uk/schools/chemistry/people/navigation.aspx?Referenceld=11159&Name=dr-adrian-wright>) visited the 4th EuCheMS Chemistry Congress in Prague, Czech Republic. Read her report [here](#) ([/Documents/college-eps/chemistry/chemistry-travel-reports/JulieRutter12.docx](#)) .

Jul. 2012. Antoine Sallustra from the group of **Dr. Jim. Tucker** ([/staff/profiles/chemistry/tucker-james.aspx](#)) visited the 6th International symposium on Bioorganometallic chemistry at the university of Toronto Scarborough in Canada. Read his report [Here](#) ([/Documents/college-eps/chemistry/chemistry-travel-reports/AntoineSalustra12.docx](#)) .

Jun. 2012. Laura Thompson from the group of **Dr. Maryjane Tremayne** ([/staff/profiles/chemistry/tremayne-maryjane.aspx](#)) visited the Gordon Research Conference on Crystal Engineering in Waterville, New Hampshire. Read the report [Here](#) ([/Documents/college-eps/chemistry/chemistry-travel-reports/LauraThompson12.docx](#)) .

May 2012. Rian Griffiths in the group of **Dr. Josephine Bunch** ([/staff/profiles/chemistry/bunch-josephine.aspx](#)) visited the 60th American Society for Mass Spectrometry Conference on Mass Spectrometry and Allied Topics in Vancouver, British Columbia, Canada. Read the report [Here](#) ([/Documents/college-eps/chemistry/chemistry-travel-reports/RianGriffiths12.docx](#)) .

Nov. 2011. Yasmin Begum, a graduate student in the group of **Dr. Adrian Wright** ([/staff/profiles/chemistry/wright-adrian.aspx](#)) gave a talk at the 7th International Symposium on Inorganic Phosphate Materials at the Argonne National Lab, Illinois. Read her report of the meeting [Here](#) (<http://www.birmingham.ac.uk/Documents/college-eps/chemistry/chemistry-travel-reports/Conference-Report-Yasmin-Begum2012.docx>) .
