

Open Days

Deciding on a university degree programme can be difficult. How do you start to make a decision? There are several opportunities throughout the year to visit us, aiming to offer you a greater perspective and the chance to make an informed choice.

To help make your decision making process easier, we asked our students to come up with 10 reasons why you should study here with us:

Adobe Flash Player or QuickTime is required for video playback. [Get the latest Flash Player](#) [Get the latest version of QuickTime](#)

Civil Engineering Open Day
