

For dentists: links

Dentaljuce - fully Verifiable CPD for dentists and nurses. **Dentaljuce** (<http://www.dentaljuce.com/>) is the hugely popular independent CPD web site run by our award winning ecourse team. It was created to share the School's world leading education resources with the international dental community. **[More Info](#)** (<http://www.verifiedlearning.com/>)

Dental Photography (<http://www.thedigitaldentist-site.org.uk/>) - Mike Sharland's web site for clinical photography in dental practice.

The PREP Panel (<http://www.preppanel.com/>) - Trevor Burke's PREP panel is a group of over thirty experienced General Dental Practitioners who assess new products in the busy surgery environment, and report on their suitability for modern dental practice.
