

The Caravan Show

Posted on Thursday 12th April 2012

Adam Ledger (</staff/profiles/drama/ledger-adam.aspx>) is developing *The Caravan Show* this year with The Bone Ensemble and in collaboration with mac birmingham. *The Caravan Show* is an intimate theatre project for family audiences of four spectators at a time, which takes place in a small touring caravan.

The Caravan Show begins as a pilot version at mac birmingham on 21 July 2012 and then travels to the Sheldon Country Fair on 29 July 2012 as part of mac's Arts Champions role. The performance will be developed further for national touring next year. Further details:
