

QS Global University rankings

Posted on Monday 5th September 2011

Linguistics at Birmingham is one of only seven UK universities to be listed in the [QS Global University \(http://www.topuniversities.com/university-rankings/world-university-rankings/2011/subject-rankings/arts-humanities/linguistics\)](http://www.topuniversities.com/university-rankings/world-university-rankings/2011/subject-rankings/arts-humanities/linguistics) rankings.

Birmingham came 4th in the UK behind only Oxford, Cambridge and Edinburgh.

Across the six key indicators used to form the rankings, Birmingham's highest score was for the academic reputation, which highlights the expertise you'll have access to, giving you the knowledge you need to achieve your full potential.
