

MA Film and Television: Research and Production

Posted on Monday 7th July 2014

This film was produced by [Film at Television: Research and Production MA \(/postgraduate/courses/taught/fcw/film-tv-research-prod.aspx\)](#) student Bo Kalinov, who is doing his placement with Creative Media at the University of Birmingham. The video introduces students to the structure of the programme, type of applicant, the technical support and training available, the placement with a production company and the opportunities available.

Adobe Flash Player or QuickTime is required for video playback. [Get the latest Flash Player](#) [Get the latest version of QuickTime](#)
