The School of Education has a history of 5 star rated research and was ranked 9th in 2014 with 97% of its work is recognised as being of international quality. In the 2015 QS World rankings it is ranked as 27th globally and 4th in Europe. Its professional training programmes for teachers are the most innovative in the country and are officially rated 'Outstanding' in every category. It's staff are highly committed and enthusiastic, delivering outstanding education and training experiences for both undergraduate and postgraduate students.

Our Courses

Undergraduate

If you have completed your high school education to a high standard and you would normally require a foundation year, before being eligible for first year undergraduate entry to universities in the UK. You may wish to consider the Birmingham Foundation Academy which offers you pathways in each of the five colleges, including Social Science, with progression to almost any undergraduate programme upon successful completion.

Postgraduate

We have a large number of postgraduate programmes in the School of Education (called 'graduate education' in North America). Popular programmes include the MA [International Studies in Education \(/postgraduate/courses/taught/edu/international-studies-education.aspx\)](/postgraduate/courses/taught/edu/international-studies-education.aspx) (with specialisms in **Education and Development**), [Special Educational Needs and Disabilities \(/postgraduate/courses/taught/edu/special-educational-needs-disabilities.aspx\)](/postgraduate/courses/taught/edu/special-educational-needs-disabilities.aspx) ('SEND') and the [TEFL programme \(/postgraduate/courses/taught/edu/teaching-english-foreign-language.aspx\)](/postgraduate/courses/taught/edu/teaching-english-foreign-language.aspx).

Opportunities to study may also be found on other courses within the school, particularly on many of the campus based [Professional Development Programmes \(/schools/education/courses/cpd.aspx\)](/schools/education/courses/cpd.aspx) which have progression pathways leading to Masters level. Many of these courses are unique and may be found in few other places in the UK.

If you are interested in doctoral research, please view the [Postgraduate Research \(/schools/education/courses/postgraduate-research/index.aspx\)](/schools/education/courses/postgraduate-research/index.aspx) pages. There is also an opportunity to embark on a [joint PhD programme \(http://www.universitas21.com/article/research/details/109/joint-phds\)](http://www.universitas21.com/article/research/details/109/joint-phds) if you are a student at one of the participating universities which will enable you to live and work in two countries.
