

## New book in pipeline on Teaching and Learning in Higher Education

Posted on Saturday 22nd October 2011

In conjunction with Dr Elizabeth Cleaver (APOD) and Maxine Lintern, Associate Dean (Learning, Teaching Research and Scholarship) at Birmingham City University, Professor Mike McLinden has been offered a contract by SAGE Publications Ltd for a book proposal. Their project was unanimously approved by SAGE who felt it would be a strong addition to their publishing in this area. The book title is to be 'Teaching and Learning in Higher Education: Disciplinary Approaches to Research' and Mike will be joint editor of the text.

SAGE Editor, James Clark says 'I'm excited to see the project reach this stage and look forward to working with you all up to when we publish and beyond'.
