About

John taught Science and Physics in secondary schools for fourteen years, including a role as Head of Science. For three years, he worked part time at the University of Warwick on the Science PGCE course and part-time in school. He joined the University of Birmingham in 2007 as Lecturer in Science Education with a focus on Physics initial teacher education.

Qualifications

- PhD
- MA
- PGCE
- BEng
- Diploma in Psychology (Conversion for Postgraduates).

Teaching

John is programme leader for the Post Graduate Diplomas in **Science: Physics (QTS)** ([/postgraduate/courses/taught/edu/pgce-secondary-science-physics.aspx](http://www.birmingham.ac.uk/postgraduate/courses/taught/edu/pgce-secondary-science-physics.aspx)) and **Physics with Mathematics (QTS)** (<http://www.birmingham.ac.uk/postgraduate/courses/taught/edu/pgce-secondary-physics-mathematics.aspx>). His administrative responsibilities are those normally associated with the role of PGDipEd Tutor. John is also leads on the **Physics Subject Knowledge Enhancement course** (<http://www.birmingham.ac.uk/postgraduate/courses/taught/edu/secondary-physics-ske.aspx>). He is lead tutor for the MEd module Education Observation, Supervision and Evaluation.

Postgraduate supervision

MEd in Teaching Studies

Research

- Nature of Science
- Scientific literacy
- Initial teacher training
- Secondary School Science curriculum
- Evaluation of news reports of science
