Alumni Anniversary Reunion

This year's official Alumni Anniversary Reunion organized by the University targets graduates from 1963 (and earlier), 1968, 1973, 1978 and 1988 and will take place on 8th June 2013. Next year the schedule will move on one year to 1964 to 1989. This year as always there will be departmental activities in the morning as part of the day. If you are in touch with classmates of a year-group that is not being covered at the moment and want to arrange an informal reunion, do get in touch – we have been able to accommodate groups doing this in the last year.
