

Job advertisement: Senior lecturer in International Development

Posted on Monday 23rd January 2012

Job summary

To design, develop and deliver a range of programmes of study within IDD in line with the Department and School's teaching strategy and undertake and deliver research programmes.

This role is a core role within IDD in either public economic management or public administration. The post holder will contribute to the core teaching of IDD, incorporating areas related to international development, public administration, public finance, decentralisation and service delivery. The holder will be able to lead on core teaching modules within the department on either public economic management or public administration and governance.

The post holder should also be able to contribute to an impressive REF return in this area.
