Posted on Monday 16th January 2012

Our postgraduate modules are now available on a pay-as-you go basis.

Modules from our taught programmes are now available on a pay-as-you go basis. This route allows you to choose stand-alone modules or consider incorporating an individual module into a fuller postgraduate programme (which you could develop into a Certificate, Diploma or Masters degree).

For further details of our programmes and the modules available, please see our [postgraduate programmes \(/schools/government-society/departments/local-government-studies/courses/masters.aspx\)](#) or for more information, please contact Sarah Smith: [s.e.smith.2@bham.ac.uk](mailto:s.e.smith.2@bham.ac.uk) (<mailto:s.e.smith.2@bham.ac.uk>), 0121 414 8390.
