

INLOGOV attend SOLACE Summit 2012

Posted on Tuesday 23rd October 2012

INLOGOV Director Catherine Staite, Catherine Mangan, Chris Lawrence Pietroni and Karin Bottom attended the SOLACE summit at The Welcome Centre in Coventry, 16 - 18 October 2012.

In addition to meeting delegates on our stand (pictured) they ran an inter-active work-stream entitled **Doing Less with Less**, which tested out INLOGOV's new model of public services. Sessions focused on co-production, behaviour change, strategic commissioning and relationships.

Papers associated with the panels can be downloaded from the links below.
