

Birmingham Fellows: Full Circle - Episode One

Posted on Thursday 21st March 2013

Dr. Kostas Nikolopoulos (School of Physics and Astrology) interviews [Dr. Sara Jones](http://www.birmingham.ac.uk/schools/government-society/staff/profiles.aspx?ReferenceId=21908) (Department of Political Science and International Studies) about her research analysing the political, social and cultural processes of remembering state socialism.

Birmingham Fellows are outstanding post-doctoral researchers at the University of Birmingham, recruited from around the world. Early-career researchers, they are poised to become the academic and research leaders of tomorrow.
