Biography

Mark Webber is an International Relations specialist. Having begun his academic career specialising in Russian foreign policy, he has spent the last ten years teaching and researching foreign policy analysis, security studies and international organisation. The specific focus of his current research is the politics of NATO and European enlargement. Professor Webber worked for nearly twenty years at Loughborough University before moving to Birmingham in January 2011 as the Head of the School of Government and Society.

Head of the School of Government and Society and member of the Board of the College of Social Sciences.
