Centre for Russian, European and Eurasian Studies  
School of Government and Society  
Muirhead Tower  
University of Birmingham  
Edgbaston, Birmingham,  
B15 2TT, United Kingdom

### Qualifications

PhD (Birmingham)

BSc Economics (Bath)

### Biography

Julian Cooper is Professor Emeritus at the Centre for Russian and East European Studies of the University of Birmingham and was Director of the Centre from 1990 to 2001 and again during 2007-08. He is also an Associate Fellow of the Chatham House Russia and Eurasia Programme. His research is concerned with the development of the Russian economy, with particular emphasis on Russia's external economic relations, prospects for diversification away from resource-led growth, and the economics of defence and security. He has participated in projects and consultancy for the UK government, OECD, European Commission, NATO, ILO, SIPRI and other international organisations

### Research

#### Research interests

Professor Cooper's research is concerned with the development of the Russian economy, with particular emphasis on Russia's external economic relations, prospects for diversification away from resource-led growth, and the economics of defence and security. He has participated in projects and consultancy for the UK government, OECD, European Commission, NATO, ILO, SIPRI and other international organisations
