

New Head of College takes up post

Posted on Tuesday 5th August 2014

We are delighted to announce the appointment of Professor Saul Becker to the post of Pro-Vice-Chancellor and Head of the College of Social Sciences. Saul joined us on 1st August 2014.

Saul's appointment follows an international search for an outstanding candidate and he joins us from the University of Nottingham where he was Professor of Social Policy and Social Care. As he was previously Assistant Pro-Vice-Chancellor (International) and Director of Research for the Faculty of Social Sciences at Nottingham, Saul brings an impressive academic track record. He is a highly-effective leader with a clear vision. I am sure you will want to join us in congratulating him on his appointment.
