Mr Simon Jenkins (/schools/haps/departments/publichealth/staff/list.aspx?ReferenceId=25472&Name=mr-simon-jenkins)

Research Fellow

Public Health, Epidemiology and Biostatistics

Simon's current research project aims to improve the provision of information to patients who are participating (or considering participating) in clinical trials. He will help to develop a template for an electronic, unfolding information sheet, which will allow patients to access as much or as little information as they wish. The project also includes a pilot qualitative study, ...
